---

We hereby confirm that, to the best of our knowledge, none of the conflict minerals mentioned in "U.S. Dodd-Frank Wall Street Reform and Consumer Protection Act (July 2010) - Sec. 1502" are used in the manufacturing of our products.

The "conflict minerals" cited in the above Act are:

- Columbite/Tantalite (Coltan, Tantalum)
- Cassiterite (Tin)
- Gold
- Wolframite (Tungsten)

originating in the Democratic Republic of Congo and its adjoining countries, that is: Angola, Burundi, Central African Republic, Congo, Rwanda, South Sudan, Tanzania, Uganda and Zambia.

However, we do not routinely analyse our products for the above-mentioned substances nor do we require our raw material suppliers to do so.

Best regards
