(ISO/IEC 17050-1)

**N°2021-001 Rev.2**

**20 May 2021**

### European Regulation n. 1907/2006 "REACH" and Directive n. 2018/851/UE "SCIP"

ZEC S.p.A. doesn't produce and doesn't import substances or mixture; according to art. 3 of REACH (<https://echa.europa.eu/regulations/reach/understanding-reach>) we are classified only as article producer and supplier. In addition, we do not supply articles that have an intentional release of substances under normal or reasonably foreseeable condition of use, consequently the provision of registration and notification stated in art.7 are not applicable to our articles.

According to art. 59, the ECHA (European Chemical Agency) maintain a SVHC (Substances of Very High Concern) Candidate List (<https://echa.europa.eu/candidate-list-table>) for eventual inclusion in the Authorisation List of the REACH Regulation. Art. 33 of REACH says that any supplier of an article containing a substance added to SVHC list in a concentration above 0.1 % weight by weight (w/w) shall inform their customers and the downstream supply chain of the presence of any SVHC.

Referring to the latest update of the SVHC list dated **16<sup>th</sup> January 2021**, we declare that the following articles provided by ZEC S.p.A. do **not** contain SVHC substances in quantities greater than 0.1% w/w:

- Medium, high and very high pressure thermoplastic and PTFE hoses
- Thermoplastic low pressure flexible tubes
- Stainless Steel fittings
- Sheaths and spirals protection

We also declare that the following articles provided by ZEC S.p.A.:

- **Carbon Steel fittings**

may contain the following SVHC substance in quantities greater than 0.1% w/w:

Substance	CAS Number	EC Number	Reason for inclusion	% contained (w/w)
Lead	7439-92-1	231-100-4	Toxic for reproduction (art. 57c)	< 0.35

Herewith attached the list of the Carbon Steel fittings that may contain this SVHC substance, complete with relevant notification number to "SCIP" database (<https://echa.europa.eu/scip>), in compliance with articles 9 (1) (i), 9 (2) of the Waste Framework Directive 2008/98/EC, amended by Directive 2018/851/EU.

This declaration is based on the information provided by our suppliers. ZEC S.p.A. does not perform specific analysis for any of the listed substances in the final products nor in the raw materials used in the manufacturing process.
